

Have your say

We really want to know what you think of our proposals for the **Deephams Sewage Works Upgrade**.

No decisions have been made about the upgrade and this is the first of two phases of consultation where you can have your say.

Your feedback will help us find out about any local issues that we need to be aware of and allow us to amend our plans for how we will design and build the upgrade, where we can.

This first phase of consultation runs for 16 weeks from **4 July to 24 October 2012**, and you can send us your comments at any time during that period.
